About Me

As a motivated and detail-oriented frontend developer fresher, I am seeking a dynamic and challenging role where I can apply my technical skills and contribute to innovative solutions. Eager to learn and grow within a collaborative team environment, I aim to leverage my programming knowledge to contribute effectively to the success of the organization.

Education

SHRI RAM INSTITUTE OF TECHNOLOGY
Bachelor of technology (Information technology)

Jabalpur, Madhya Pradesh
2019-2023 | CGPA : 7. 64

GOVT. HIGHER SECONDARY SCHOOL
Senior Secondary (XII), Science (MP Board)
Secondary (X) (MP Board)

Balaghat, Madhya Pradesh
2018-2019 | Percentage: 68.8%
2016-2017 | Percentage: 85.5%

Internship

Front End Web Developer Inter(09/2024 - 12/2024)

Completed a 3-month internship as a Front-End Developer at Aerobyte Innovation Pvt Ltd, where I developed and optimized web interfaces using HTML, CSS, JavaScript, and React. My work focused on creating responsive designs and delivering exceptional user experiences, contributing to the overall functionality and performance of the projects.

Skills

Frontend Development: HTML5, CSS3, JavaScript6, jQuery, Bootstrap5, React.JS, Ajax, SASS, REST API, Mui.
Database Technology : MongoDB, SQL.
Tools: VS Code, Canva, Postman, Git, Github, Vercel, Tableau.

Projects

❖ **CRYPTO TRACKER**
  Link : https://crypto-tracker-lsit.vercel.app/
  - This application provides a crypto dashboard to analyse, compare and learn about different crypto currencies.
  - **Frontend**: Built using React.js with a responsive design and Framer Motion for smooth animations transitions.
  - **Data Visualization**: Implemented Chart.js to create interactive and dynamic charts for analyzing crypto trends.

❖ **CUISINE COURIER**
  Link : https://cuisine-courier.vercel.app/
  - This application provides an intuitive interface for people to book food online and a robust backend for managing food items and user data.
  - **Frontend**: Built using React.js for a responsive and user-friendly interface.
  - **Backend**: Developed with Express.js and Node.js, utilizing MongoDB for data storage.
  - **Data Management**: Implemented efficient menu and order management in MongoDB.

Certifications

- Certified in UI full stack course from Naresh IT, Hyderabad.
- Certified in fundamentals of visualization with Tableau from University of California.
- Certified in Introduction to Structured Query Language (SQL) from University of Michigan.

Training Attended

I have completed 6 month's offline course in "Classroom Training" in UI Full Stack Technology at Naresh I Technologies, Hyderabad.
